Authorization to Check Your Credit & User Licensing Fee

Virtual Finance Technologies is not a lender. We do not extend credit and/or offer to extend credit. Virtual Finance Technologies does not approve, deny, or set the rate and/or term for any offer. Virtual Finance Technologies only offers an online credit pre-determination based on the guidelines of multiple lenders and credit card issuers. Based on your pre-qualifications, a Virtual Finance Technologies Representative will submit your request to a Lender or Credit Card Issuer in an attempt to get you an acceptable offer of credit as requested. As a part of the pre-qualification process, we will run your credit report and send you both text and email messages. **By your signature below, you are authorizing Virtual Finance Technologies to run your credit, verify the information you have provided, submit your credit application with multiple credit card and personal loan issuers, and correspond with you via phone, text and email messaging.**

Technology Fees: The fee Virtual Finance Technologies charges to use our technology, is based on the following scale.
Loan amounts up to \$1999.99, the fee will be \$175. Loan amounts of \$2000.00 and up, the fee will be \$375.

This fee is only charged if you are approved and accept an offer after using our pre-qualification technology. Furthermore, based on the amount you may be offered as a line of credit, you can add our fee to the amount requested and finance the fee. **By your signature below, you are acknowledging the User Fee and agreeing to pay it if you are approved and accept a credit offer after using our pre-qualification technology.**
